The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.milaborerfunds.com or call 1-877-645-2267. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0 / individual or $0 / family for in-network and out-of-network services.	See the chart starting on Page 2 for how much you pay for covered services. As noted there is **no** deductible.
Are there services covered before you meet your deductible?	Yes. There is no deductible required for services to be covered.	You don't have any deductibles for services, but see the chart starting on page 2 for other costs for services this plan covers.
Are there other deductibles for specific services?	No.	There are no deductibles.
What is the out-of-pocket limit for this plan?	$8,550 / Individual or $17,100 / Family in-network. Out-of-network cost sharing has no limit and does not count towards limit.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. **Note:** Within the out-of-pocket limit above there is a $1,200 coinsurance family maximum for in-network. Copayments noted throughout do not apply to the coinsurance maximum noted here.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, pharmacy penalties, health care this plan doesn't cover and certain other amounts.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.bcbsm.com or call 1-877-790-2583 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
